Mind Mood and Parkinson's Conference
Feb 10, 2014 9am-4pm
at The Salvation Army Citadel 4030 Douglas St

Mood, Insomnia & Parkinson's
(including atypical Parkinsonism) with Dr. Mohamed Gheis
Dr. Mohamed Gheis is a practicing psychiatrist in Victoria BC. He currently works for the Island Health Authority. Dr. Mohamed Gheis completed his medical doctor training at Cairo University and went on to complete further studies in psychiatry, psychoanalysis and psychotherapy at the University of Wales and Kings College London. Dr. Mohamed Gheis’s specialties include neuroscience, emergency medicine, psychology and counselling psychology.

Cognition & Parkinson's with Dr. Alex Henri-Bhargava
Dr. Alex Henri-Bhargava is a Clinical Assistant Professor of Medicine at the University of British Columbia and is affiliated with the Division of Medical Sciences at the University of Victoria. He is a behavioural neurologist in private practice and on staff at Island Health. He is the Site-Specific Leader for neurology education at the Island Medical Program and is involved in a project to create new certification standards in Interdisciplinary Brain Medicine in Canada. He has been on the board of directors for Headway: Victoria Epilepsy and Parkinson’s Centre.

Managing changes in mood and cognition with Dr. Claire Sira
Dr. Claire Sira completed her doctorate in Clinical Psychology with a specialization in Clinical Neuropsychology at the University of Victoria. She has provided neuropsychological / cognitive assessments, psychotherapy, and neurorehabilitation to clients with neurological conditions (such as Parkinsonism and epilepsy) for the past 8 years.

Join us for a day of hope and inspiration!
